Is a printed News and Notes still relevant?

As we start a New Year, it is often helpful to review what we do and look to the future. I have now taken on the full role of Editor, and am very grateful to previous editors who have moved this magazine forward over the years. But is a printed version of N&N still relevant?

I believe that it is, and it is my intention to continue to produce a high quality printed version on a regular basis. N&N is now printed in Salisbury by Speedy Print. We are indebted to our advertisers who generously contribute towards our costs. Please support them all and mention that you saw them in N&N.

We currently hand deliver to 420 homes in our five villages, and this would not be possible without our village distributors. Thank you to them for all they do during the year. N&N is a great way to ensure a community spirit and communicate our village events.

Based on our advertising revenue and print costs we are able to ensure that N&N will stay as a free printed publication. Whilst it covers church and service events, it is not a Parish magazine and my intention is to keep it as a news and notices publication.

There is a place for an electronic-version which allows for more articles and colour pages which will be accessible via our website, but this is an extra and will not replace the printed version. Please sign up if you wish to be added to the monthly email alert. The current website has served us well, but now needs to be updated to meet modern security standards. If any of our readers would like to help update this into a villages site, I would love to hear from you.

Finally, News and Notes is only as good as the content, and we really would benefit from more input from you our readers. Do you have an article or a point of view to share, perhaps more on our village history theme, a recipe or favourite walk? If so please get in touch with your ideas and articles.

I wish you a very Happy New Year and look forward to hearing from you during the next year, Jeremy Metcalfe.
Reflection

Dragons

January is the month at the head of the year that taps into the human ability to begin anew. New Year resolutions are one form of this wanting to make a fresh and a better start. With roots in Babylonian and Roman times the tradition remains popular. It seems that making a lifestyle change at the beginning of January has more chance of success than one made at any other time. A good time therefore to reflect on what we want to be different.

But do we want things to be different? A lot of New Year resolutions might be about returning to an ideal past; even if it is just regaining pre-Christmas slimness. What would make a real positive difference to our lives? To have any idea we will need to honestly look at the parts of our lives that might not be working so well.

I love the story of St. George and the dragon. In one version he slays the dragon because he dares to look the dragon in the eye. Seeing and acknowledging the dragons (= fears or difficulties) in our lives helps us some way along the road of dealing with them. In the Bible there is a promise that if we dare to go on the road into the wilderness, then reeds and grass will grow where the dragon’s lair used to be (Isaiah 35:7). My New Year’s resolution: To go where the dragons are!

Where do your dragons live?

The Parish Meeting on Monday 25 November was held in the Barker Room, Nunton.

**Picnic Benches**

The new picnic benches will be installed in the spring; two in the Nunton children’s playground, and one in Jubilee Gardens.

**Nunton Playground Update**

The PC has obtained quotations for replacement of the two sets of swings and the climbing frame, and it is clear that this will be a major project. We have therefore decided to obtain specialist advice before placing any orders. Please bear with us; we are on the case, and the playground will re-open in time for the warmer weather.

**Other Projects**

- The PC has recently installed a new gate on the footpath across the fields between Vicarage Corner and the A338. Thanks to Rod Poynting and Colin Berry for doing this work.
- We are planning to undertake routine maintenance work in Jubilee Gardens as soon as the weather permits.
- We are researching the options for buying and installing a speed indicator device on the C12 between Odstock and Nunton next year.
- We have applied for funding to upgrade the footpath beside the C12 between Nunton Farm and Stoney Close, which is in a dire state. We will know next summer if our bid is successful.
- The use of Nunton Field by the Downton Girls under 15 football seems to be working well, and all feed-back has been positive.
- The scheduled road repairs in Nunton Drove have now been completed.

**Risk of Flooding**

Wiltshire Council has advised us that ground water levels across Wiltshire are exceptionally high, which means that even areas which are not normally affected by flooding may be at risk. With the exception of Longford Park, there are no residential properties in our parish within the high or medium long-term risk zones for flooding, but some (particularly in Bodenham) are near the edge of the flood zone, and could become vulnerable in the event of further heavy rain. Parts of our road system are within the flood zones and are at significant risk of flooding, especially the C12 between Vicarage Corner and the A338 junction. You can sign up for flood warnings, and get advice on how to prepare for possible flooding, on the national flood information service website: https://flood-warning-information.service.gov.uk/warnings.

**Date of next meeting**

The next scheduled meeting of OPC is on Monday 10 February at 7.30 pm, probably in the Barker Room next to Nunton Church. Please come along. More information can be found on the OPC website at: http://www.sp5.org/odstock/opc
Over 50 ladies arrived to a warm welcome in the Radnor Hall for our December meeting. Attractively decorated tables were soon occupied and Lesley Meader’s festive Poinsettia arrangement was admired. Business was brisk, covering the January walk and February’s theatre outing to Barney Norris’ Blood Wedding. Tickets were booked for WFWI events, An Afternoon of Entertainment, A Bridge Lunch, and an Applique Workshop.

Members enjoyed an extended coffee break to buy raffle tickets for a seasonal hamper and gifts. People settled down to tackle challenging quizzes generating much discussion, then to listen spellbound to Christmas poems read by Diane Crump.

There followed a ‘sit-down' Sleeping Beauty Pantomime adapted by Rose Stephens and performed by 8 members. The audience was invited to boo, hurrah and to sing Happy Birthday to Sleeping Beauty, played by Louise Jefferys - whose birthday it genuinely was - a surprise cake was presented to more cheers and the show ended with generous applause.

Diane Crump’s Father Christmas won the ACWW competition from a good selection.

Gill Dodd thanked the committee and helpers for their hard work over the year and Ulla Whitty gave thanks to the ‘Cast' on behalf of members.

Secret Santa gifts were distributed and sparkling drinks were served with delicious mince pies made by Carol Stratton and Peggy Knight.

Next meeting on 14 January at 10 am will feature an in-house ‘Call My Bluff’.

**Dates for your diary:**

Thursday 27 February 2020:  The Good Liar:

Thursday 26 March2020:  Official Secrets
Report back on Merlin Exercise held on 24 October 2019

We were glad to welcome 20 or so people from Odstock, Nunton, Bodenham and Coombe Bissett to an evening of discussion about the needs of and possibilities for our communities. With the task of trying to imagine what our communities would look like in 5 years time without reference to the current situation (Merlin lived life backwards and so in 2025 he would not have known what happened in 2019). The teams set off with pens and paper to do some ‘blue sky thinking’ aided by some light nibbles and a glass of wine!

So many fun and very relevant ideas were produced and the pictorial representations gave the artists present an opportunity to show their skills. We then had an opportunity to discuss some of the more common ideas, which I have tried to summarise below:

**Buildings:**
Altering the interior of the churches to be more welcoming for both church events and various other community meetings. More intergenerational activities.

A large community meeting area – possibly enlarging the Pavilion to be used as shop/ café/book exchange / music group / cooking club / after school activities.

‘Cosying’ the Barker Room with comfy chairs, coffee tables.

**People:**
More opportunities to meet up – gardening clubs / walking groups / regular lunches/ social action groups / arts and crafts groups/ football and cricket games.

**Transport:**
More rights of way / walking maps / 20mph speed limit / community bus / roundabout on A338 / relief road for Hospital.

**Food:**
Café / regular lunches / local produce market.

We also discussed how we might communicate more effectively but felt we were missing a significant part of our community whom we would like to hear from – YOU!!

Should we make greater use of Facebook / WhatsApp / Instagram or develop our own website? Once we find an effective way of communicating we can gain a greater insight into what the needs are of the whole community. Suggestions will be most welcome, along with a name for our group.

If you are interested in getting involved with these ideas, please let me know and look out for the next meeting which is provisionally on Thursday 13 February 2020 in the Barker Room.
