Welcome to News and Notes

March and April have both come and gone without the expected Brexit. Now in May we have the elections for the European Parliament and the debates as to how (and whether?) to leave the EU are still continuing. It seems hard to agree on a good way forward and divisions are stark both between and within political parties. There is a story doing the rounds that the referendum in 2016 and the debates since have "divided the country". I think that this is a very unhelpful story.

The divisions were already there: between rich and poor; between those who feel well-represented and those who feel under-represented; between young and old; between different ethnic communities between the well-educated and those who have less access to education; between house-owners and those who do not own a house; between those with a business and those without a business interest; between those who are indigenous and those who come from elsewhere.

The referendum has made this disunity more visible; it has not created it. I wonder whether the sheer visibility of all those separate interests could provide the opportunity to work towards a common good. We can only address and try to overcome those divisions that we are aware of. Brexit is an opportunity to come together as communities. It has made us aware of the things that divide us. That is an awareness we can use to overcome those divisions. The Church continues to celebrate Easter in May; it is the month of the resurrection. Faith in the resurrection is a faith that in all things (including failure, death and division) love can work a miracle.

Reverend Dr Anna-Claar Thomasson-Rosingh

Parish Boundary Walk - Saturday 25 May 2019

There will be an Odstock Parish Boundary Walk for the villagers of Odstock, Nunton and Bodenham (and their friends) on the 25 May commencing at the Pavilion in the Nunton Recreation Field at 10.30am.

As well as walking on public footpaths, it will allow you to walk on private farm land and in the Longford Castle grounds, neither of which are normally open to the public. The walk will be in two parts. The first section of approximately 5.5 miles goes to Odstock, Britford, Longford Castle, Bodenham, towards Charlton, towards Clearbury Ring, The Dairy and back to the Pavilion. This will take about 2 hours. The second part will continue around Clearbury Ring, Great Yews, Homington Road, Odstock and finishing in the Radnor Arms for a well-earned cup of tea/coffee (or something stronger if you prefer). The complete walk will be about 14 miles and will take about 6 hours, including a stop for lunch.

Not only a community get-together, the walk is designed to show the extent of our Parish by 'beating the bounds'.

If you intend to walk the entire boundary, please make sure you are well prepared for all weather conditions and are well 'shod'. Although beautiful, the downs are exposed and conditions underfoot may well be muddy and uneven in many places. This is not a sponsored walk. Parking is available in the Recreation Field if you need it. Please consult O.S. 1:50,000 or 1:25,000 Salisbury maps for the boundary route or e-mail for a route map.

To register for the Walk or for further information, please e-mail Rod Poynting; rod-poynting@hotmail.co.uk or phone 01722 322236

April report

What a week it has been for this WI member. From learning to knit blankets for premature babies one day to the uplifting, and often hilarious, true story of the Calendar Girls from Miss October, Tricia Stewart, (brilliantly organised by our Committee) the next. These were quickly followed by tending the garden we look after at the Urology department at SDH and attending our Gardening Club's practical talk on pruning techniques at the Radnor Hall.

Finally, our monthly meeting was an interesting talk by Stuart Judd on making documentaries. Stuart joined ITV in 1998 as a producer of Country Ways, a programme about the south of England and its people. We watched an episode from 1996 about Odstock Down which showed views, places and people familiar to many of us and reminded us that we live in a very beautiful area.

A week of learning, laughter and good conversation, and of course tea, coffee and cake; what more could one want? Our next meeting is on 13 May when we will hear more about the resolutions which will be presented to the National Federation Annual Meeting in June.

Miss October for Wiltshire Federation of WIs

To celebrate WFWI's Centenary year Odstock, Nunton and Bodenham WI, led by President Sally Hadley, arranged a talk by Tricia Stewart - the original 'Miss October' Calendar Girl.

Tuesday 2 April dawned on a hive of activity at The Michael Herbert Hall in Wilton with ONB WI teams making ready for Wiltshire Federation Chairman Joan Gifford and members from all over the county.

Tricia Stewart delighted guests with her moving and inspiring story, delivered with a good dose of North Country humour. After questions and book signing, tea and homemade cake were served.

The event was a great success and the Calendar Girls' charity, Bloodwise, was well supported. By the time guests were leaving, Miss October was already on her way to Sheffield to celebrate the 20th Anniversary of The WI Calendar Girls.

Yes, it was a long day for many and worth every second of WI time.

Britford Beetle Drive

This event raised £252 for church funds. Peggy Knight said it was a fun evening and passes on her thanks to all the people who supported it and those who helped.

St. Andrew's Church, Nunton

On behalf of Odstock and Nunton PCC I am delighted to help spread the news that we shall very soon be undertaking our planned comprehensive roof repairs at Nunton church. The works will start towards the end of May and are expected to last some six weeks. During this time the church will remain open to visitors and for church services. Interior redecoration work will take place after the roof repairs are complete and then whenever most convenient.

The original plan was to overhaul the valley and other gutters and down pipes, and to repair the nave roof. Further inspections indicated that a larger scheme of comprehensive repairs (including stripping and retiling all roof sections) would make economic sense in the long run, provided of course that the necessary funds, amounting to £110,000, could be raised.

A substantial legacy from Diane Fray, daughter of Ernest Fray who had been Nunton church organist for over sixty years, gave us a fine start. We benefitted from a splendid response from the local community to our fund raising appeal, for which we are extremely grateful. We have had only mixed success with grant raising but can, nevertheless, make up the total funds needed by resorting to the PCC's reserves. We are quite prepared for this, but it does mean that a few more local donations would be more than welcome.

The Nunton Church Roof Appeal remains open and anybody willing to help, whether or not already a donor, is encouraged to contact one of the names below. There is a display in the church together with some literature.

Repair works to the tower and to some guttering are planned to take place this coming autumn - more news to follow in due course.

Grand Draw Prizes: Please call Keith Bradford on 01722 329740 if you have any suitable new items for Grand Draw Prizes.

The Bottle Stall will need bottles! We will be collecting bottles of *any* sort in aid of this stall. We would be very grateful of any contributions - whisky, wine or water, orange squash to pink champagne (the only requirement is that the contents are In-Date). We will be collecting in the first week of July, more details to follow.

Stall Helpers: We are looking for people to help run stalls; notably the Bottle stall, Bric-à-Brac and the Barrow of Bottles. If you are able to help, please call Jeremy Metcalfe on 01722 325 825.

Trade Stands: Are you interested in having a trade stand at the Fête? Do you know anyone locally, for example, who makes jewellery or practises a specific craft? Please call Laura McGregor on 07800 505 840 for further details. Many thanks.

For any further other offers of help, please call Jeremy Metcalfe on 01722 325825

End Piece

What a glorious Easter weekend we have just had. Magnificent full services in our churches, families at home and glorious weather. The cuckoo has arrived in Bodenham so a great start to the summer.

This is my last News & Notes for the time being, as I am now handing back the reins to Enid Alston in Britford.

I have greatly enjoyed being Editor and it has been an eye opener to all that goes on behind the scenes. We are indebted to Liz & Steve Oakes and Liz & Peter Williams of Charlton All Saints, who have for many years fought with the duplicator in Downton and then complied and stapled the newsletter on their dining room tables. This has taken many hours of their time. Likewise my thanks to all those who distribute N&N within our villages, if you see them, do thank them. If you would like to get involved in the distribution or production, then please let the Editor know.

It is our intention to now get N&N printed in Salisbury, which gives us a much better quality finish. The response to last month's trial has been well received. This month you may be reading this as a larger A4 format or possibly as a smaller A5 booklet. Recipients will have been chosen at random as we are printing both formats. Again this is an experiment to see if it works, and the Editor would greatly appreciate feedback.

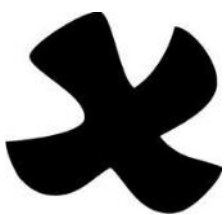

None of this would be possible without the tremendous support of our advertisers. Please support them and mention you have seen their advert in N&N, they are supporting us. If you would like to advertise, then please get in touch.

The long term future of N&N is that we will continue to try and provide a free monthly newsletter, as well as an electronic version sent to you with extra articles and notices. By doing this we can keep the newsletter to 12 pages. Please sign up for the E-News and Notes version via the website if you have not already done so.

We are very lucky to live in a great community of five villages and as a community we do a lot. Someone mentioned to me recently that we often 'punch above our weight'. This may be true, but to do all that we wish to do we need support. The village Fête has a new committee and we are trying something new this year by having the Fête and EbbleFest dance all on the same day. Sunday celebrations will also be different with a Service, the duck and raft race followed by a Radnor Arms festival. The Radnor Hall is great facility and car boot sales help fund many of our village activities, but for all this to happen we really need more people to help support these activities. If you can help, with the Fête, car boot sales or the running of our village halls and churches, then please contact the various committees. Thank you.

Finally, thank you for your support and articles, and I am sure you will continue to assist Enid as she develops N&N.

Parish Boundary Walk

Saturday 25 May 2019

There will be an Odstock Parish Boundary Walk for the villagers of Odstock, Nunton and Bodenham (and their friends) on the 25 May commencing at the Pavilion in the Nunton Recreation Field at 10.30am.

As well as walking on public footpaths, it will allow you to walk on private farm land and in the Longford Castle grounds, neither of which are normally open to the public. The walk will be in two parts. The first section of approximately 5.5 miles goes to Odstock, Britford, Longford Castle, Bodenham, towards Charlton, towards Clearbury Ring, The Dairy and back to the Pavilion. This will take about 2 hours. The second part will continue around Clearbury Ring, Great Yews, Homington Road, Odstock and finishing in the Radnor Arms for a well-earned cup of tea/coffee (or something stronger if you prefer). The complete walk will be about 14 miles and will take about 6 hours, including a stop for lunch.

Not only a community get-together, the walk is designed to show the extent of our Parish by 'beating the bounds'.

If you intend to walk the entire boundary, please make sure you are well prepared for all weather conditions and are well 'shod'. Although beautiful, the downs are exposed and conditions underfoot may well be muddy and uneven in many places. This is not a sponsored walk. Parking is available in the Recreation Field if you need it. Please consult O.S. 1:50,000 or 1:25,000 Salisbury maps for the boundary route or e-mail for a route map.

To register for the Walk or for further information, please

e-mail Rod Poynting;

REVIEW: RURAL ARTS SHOW “IMPROMPTU SHAKESPEARE”

Over 30 people were in the hall to see this recent Rural Arts show. It was thoroughly enjoyed by everyone, including the folks who had been less certain of what they were coming to see. It was a very slick performance by 4 witty and energetic young women, full of laughs and amusing asides, Thoroughly entertaining, definitely not boring.

Followed by a relaxed sociable supper, it was a most enjoyable evening. .
