Deadline 18th of month

How are you? I asked, Getting there...taking each day at a time, she replied with a look of distant sadness on her face.

I was able to ask, as I knew this lady had a tragic event in her life last year. But the truth is, we don't always know and never will know everything that is happening in someone's life. We cannot therefore know the stress they may be under or the pain they may be in.

That's why, even though I sometimes may be distracted by events in my life, I will always try to ask people how they are and wish them well.

A friend of ours, sets a good example to me. I often hear him speaking to people, 'be good to each other'. 'come on, join in and let's have a bit of fun'. He manages this despite the sadness he sometimes feels, as he knows that if you help to make others feel better than it helps you feel better yourself, what a wise man.

Heather Norris

Thank you Enid

Enid has hand delivered News and Notes in Nunton for many years and has decided to hang up her walking shoes. So many thanks from all of us Enid, for your help through the years.

Emma Stapley, has kindly offered to take over Enid's route, although we also had a further three offers of help also, so thank you all and hopefully we will now have enough support to give each person a break or holiday when required.

Charlton All Saints Garden Society.

Calling all ye lovers of gardens, plants and flowers:

Charlton All Saints Garden Society is a thriving society, which has been running since 1996.

We meet five times during the year, Spring to Autumn, in Charlton All Saints church hall on the last Monday of the month, with an outing or garden supper in July as our sixth meeting.

The topics covered by our speakers vary from specific to loosely related to gardening.

Some of our speakers are so popular, that they have become repeat offenders.

New members will be warmly welcomed - just come along. We won't bite.

The next meeting is Monday 30th April. Alan Edmondson will be talking about beetles, a subject requested last year.

Vacant seat on Odstock Parish Council

Gavin Simmonite has resigned his seat on Odstock Parish Council, as he and his family will shortly be moving away from the parish. We therefore need to co-opt a new councillor.

What the job involves:

The PC normally meets five times a year on a week-day evening. The meetings are held in public, and last around 90 minutes. All councillors are expected to contribute to the work of the PC by attending the meetings and by taking on responsibility for individual projects. The role of the Parish Council is to represent the views of people living in the parish on matters affecting our villages, and to make decisions about the upkeep and improvement of parish amenities.

If you are interested:

If you are interested in being co-opted to the vacant seat, or you would like to know more, please contact our Parish Clerk, Richard Parsons (tel. 01794 341405) or Sally Nelson (tel.01722 328220).

Odstock, Nunton & Bodenham W I

The March meeting was our A.G.M with a very good representation of members. Yearly reports were given. Sue Amey (Secretary) reported that we had had a very successful

year with some enjoyable talks and visits. She also reported that all the sub groups had had a good year. She thanked Heather Marrison our President for the past 3 years and the committee for their hard work over the last year. Stella Flux (Treasurer) gave the financial report for the year. Heather Marrison then gave her Presidents report saying how much she had enjoyed the past 3 years but that she decided to stand down from the post. We went on to elect a new President and after the vote Sally Hadley was elected.

The meeting was completed with coffee and cake with profits going to the Women's Refuge. The next meeting will be on April 9th and the speaker will be Ian Castie "SS Great Britain, from Launch to re-Launch". The 5th Monday meeting will be on the 5th April when Gill Dodd will be giving an introduction to Bridge. The Summer Outing this year will be a visit to Hampton Court on the 12th July.

Odstock Parish Council News

The Parish Council meeting on Monday 5 March was held in the Pavilion in Nunton Field.

Telephone Boxes

The early indications are that the Parish Book Exchange in the old phone box in Odstock is a success. It is already full of books, and new ones keep appearing. Please drop by when you are next passing and see if there is anything you or your family would like.

We discussed the disused (modern) phone box next to the bus stop at Bodenham. The telephone equipment has been taken away, and one of the glass sides has been shattered and is in tiny shards on the ground. We agreed that the Parish Council will contact British Telecom to ask either for the equipment to be replaced and the box repaired, or else for the box to be removed altogether.

Planning applications

The Parish Council is regularly consulted by the Wiltshire Council Planning Department on any current planning applications within the parish. All planning applications, both past and present, can be found on the OPC planning application website: <http://sp5.org/odstock/opc/planning.htm>

Within the consultation period for an application, anyone in the parish can submit their comments on-line, directly to Wiltshire Council. However, it is really helpful for us to hear your views before we prepare our Parish Council response, so that we can be sure that we are representing the views of local people. We will always treat anything you may tell us in absolute confidence.

Bus shelters

We have now undertaken an assessment of the state of the wooden bus shelters in the parish. We concluded that the shelter at Odstock crossroads is still relatively sound, and does not require immediate action. However, the roof of the shelter at Nunton Bridge on the A338 is past repair.

There are two alternatives: we could obtain quotations to have the roof replaced and look at ways to meet the cost, or we could remove the bus shelter altogether. People have told us that the shelter is badly positioned, and that anyone inside the shelter cannot see approaching buses, with the result that buses sometimes drive past without stopping. We are minded to get the shelter removed, but before reaching a decision we would like to hear your views. Do you think it is important to keep the bus shelter?

Nunton Farm

Thank you to everyone at Nunton Farm for all your work clearing the roads through the parish during the recent snowy weather. It is hugely appreciated!

Gavin Simmonite

Gavin and his family are moving out of the parish shortly, and we are losing his contribution to the parish council. He will be greatly missed, and we want to thank him for all the work he has done on behalf of our community, and to wish him well in his new home.

Date of next meeting

The next meeting of OPC will be on 14 May at 7.30 pm, in the Pavilion on Nunton Field. This will be preceded by the Annual Parish Meeting, at 7.00 pm. The Annual Parish Meeting is an open meeting for everyone in the parish to discuss future plans for our villages, and to set the work programme for the coming year. We hope you will come along.

Church News & Events

April 1st - Easter Day! It is always a little of a surprise to have an early Easter and we have had rather a lot of surprises, shocks even, leading up to this point.

The heavy snowfall caused quite a bit of chaos but a huge amount of community spirit; the chemical attack in Salisbury has thrown some lives into disarray and turmoil but has also shown many people at their very best. Both these shocks have shown us not only the evil that can be done but also what good there is in our world. That of course is what Easter is all about – the hope of the Resurrection as Jesus utterly defeated death for all time, for all of us.

That Easter hope can bind communities together in good times and in bad, it can make us look out for the vulnerable and the needy in our neighbourhoods, it can help us rejoice together. It is something to celebrate!

So, the church wishes every one of you many Easter blessings and invites you to come and celebrate with us at any one of our services!

From the Revd Jenny Taylor

ST ANDREWS' CHURCH NUNTON FUNDING THE ROOF REPAIRS PROJECT

Following last months piece in N&N identifying the need for urgent repairs and the need to raise funds, we thought you might like to know more.

The whole job will cost in the region of £100K. The PCC, thanks to a bequest has £30K available and we believe that we have reasonable prospects of grant aid. Church members will of course be asked to support the project and an information leaflet will be available after Easter seeking wider support.

In addition to welcome one off lump sum donations, by covenanting a monthly donation for 3 years the PCC can apply for an upfront loan from the Diocese for the combined total. If folk are willing to be part of the project in this way it could be a really big help -details in the leaflet available after Easter.

We intend that work will start in late summer and have been assured that there will be no disruption to access or services. More next month
