

The Radnor Hall

Would you like to be bowled over this Autumn?

Shortmat bowls is an indoor activity. Based on the traditional game of bowls, but with many twists, the game offers fun for all ages.

There are many different games to be played, from 'Cricket' to 'Snakes and Ladders'.

The Radnor Hall has obtained all the equipment necessary to play the games and would like to make this available to the community.

Come along and try your hand on Thursday 15th and Wednesday 21st September at 7.00pm.

If you would like to register your interest in advance, please call Harry Joynt on 01722 329782 or email radnorhallbookings@gmail.com
