Deadline 18th  
of month

When Barry and I moved to Nunton in June 2015, the July edition of News and Notes greeted us on arrival. Wow! I thought what an exciting place we have moved to; so many Community activities, so much to get involved with.

Three years on and it is still true, July is an exciting action packed month and among other events, we would not miss Ebblefest and the ONB Village fete. Over our short time here, these events have gone from strength to strength and this years fete has many new activities, including the cake and display competition. Full details of how to enter can be found in this edition, however please do let me know by 10th July if you are entering.

So onwards we go with another months edition of News and Notes, but I would like your help to make News and Notes a must read every month. So if you would like to help in any way with perhaps organising the advertising, producing invoices and managing the accounts etc, or would like to contribute with an article of interest then please let me know I am more than happy to share out the editorship and look forward to hearing from you.

A huge thank you to all the helpers and contributors to our collection. The amount collected in the five villages was £1082 53 which increased to £1180 53 when including the benefits of Gift Aid.

This is a tremendous sum and I am very grateful.

I am giving up the role of organising the collections of the five villages.

I have a wonderful team of helpers which makes it so much easier.

I wonder if anyone would take on my role?
