Pentecost  from Rick Williams

This month sees the Christian festival of Pentecost, when we recall the coming of the Holy Spirit fifty days after Easter, and that of Trinity, a week later, when we think of God as Father, Son and Holy Spirit. Now, I often have people say to me, "I know about the God the Father, and I know about Jesus, but I don’t really understand what is meant by the Holy Spirit". When they say they know about God the Father, they probably mean they know about God the Creator. They know the world had a first cause and that Christians believe that this first cause was God. In many cases they share that belief. And when they say that they know about Jesus, they probably mean that they know the stories about the baby of Bethlehem, and how he grew up and became a great preacher and healer, and how he died on the cross, and rose again. And again, in many cases they share that belief.

And those things are true and important, but on their own they are largely academic. A God who set the universe in motion is powerful and impressive, but it was all rather a long time ago! The great preacher of first-century Palestine is no doubt an attractive personality, and if indeed he came back to life after crucifixion, that is a cause for wonder… but even that was two thousand years ago! …(Continued on page 2)

The April meeting was opened by the President Heather Morrison who welcomed a new member and thanked Margaret Barrow for the beautiful spring flowers she had given for the President’s table.

The general business was dealt with and announcements were made for the Sub Groups and County events. All details of these are in the monthly diary. Sue Amey reported that the Summer Outing on 14th July had been changed from the original trip to a visit to the Clarks Village in the morning, and then an afternoon visit to Montacute House.

The speaker for the meeting was Judith Talis who told us about her marathon walk from Land’s End to John O’ Groats alone. Judith said that she had been inspired to do this walk by a friend’s young son who had died of cancer. He had said to her one day that if there was something you really wanted to do get on and do it because you never know what the future holds. This is something you often hear said, so Judith decided it was time to do the one thing she had wanted to do for a long time. After quite a struggle and a few setbacks Judith managed to complete the walk. Her only regret had been that she hadn’t had enough confidence in herself to finish the walk, so she had not asked for sponsorship. If she had done she thought she would have raise quite a lot of money for a cancer charity. Judith’s talk was very informative and she made it very entertaining.

The next meeting is on 9th May, and is the “Resolutions” meeting.

**Pentecost (cont. from front page)**

……Obviously, it is important that God made the world, since we live on it. But that's a bit like saying physics is important, because the consequences of gravity and electromagnetism and so on affect us all. So they do: but people who don't have GCSE physics still manage to live remarkably fulfilled lives! Likewise, the fact that Jesus lived and died two thousand years ago is indubitably important, for it shaped what we are today. So did the Norman Conquest, but history is another GCSE people seem to survive without! And so we reduce our faith to that which is interesting, and curious, but in the end dispensable.

It is the Holy Spirit who makes knowing the Father and the Son meaningful. When the Holy Spirit is left out of the equation, we fail to even see the Father and the Son for who they are. The Father becomes a philosophical speculation, a theoretical explanation for some dim and distant cosmic first cause. Once we include the Holy Spirit in our view of God, we see the Father differently, as the one who continually works creatively to redeem, to save and protect his creation. We see Jesus as not just the carpenter of Galilee who lived c 4BC – 33AD, but as the Lord of all our lives, to whom we are accountable. The Holy Spirit presented in the account of the Day of Pentecost is manifestly more than just of academic interest! He is an overwhelming reality. He appears suddenly and dramatically; a presence of God so powerful that the disciples can liken it only to a violent wind shaking the house or a rush of flame. He changes the lives of the disciples, and can change our lives too.

**ONB Fête Donations**

*Adrian Taylor, Fête Treasurer*

Elsewhere in News and Notes you’ll see information about the 2016 Odstock, Nunton and Bodenham Fête. As well as being a very enjoyable and sociable local event, the Fête also raises funds for the church and other local causes. After the 2015 Fête, donations were made to the WI, the Radnor Hall, Salisbury Hospice, The Acorn Club, The Brain Tumour Charity, Longford School, The John McNeill Opportunity Centre, Tiny Tots and Cress (a locally run charity, working in South Sudan). Many thanks to all those who supported the Fête, in any way, to help make these donations possible.

After the roaring success of 2015, EbbleFest returns on Friday 8th July, the night before the Fête. Last year over 250 people, many local families and friends from further afield enjoyed the revitalised event. With a two band line up, barbecue by Charter 1227 and licensed bar, it promises to be a lively evening. Back by very popular demand, Second Nature will headline, playing their unique mix of popular rock covers and music from the 80s, 90s and to the present day.

**Grand Fête**

*May Notice Board*

**Village Scarecrows:** The theme for our village Scarecrows is The Olympic Games in Rio. Feel free to base them on any theme related to this year’s Olympic Games. Scarecrows can be placed outside your house or along the fence of The Orchard from 1st July.

**Fête Opening time:** The Fête will open at 2pm on 9th July.

**Fancy Dress:** We are collecting children’s fancy dress for use on Fête day. If you have any that you would be willing to donate, please ring Adrian Taylor on 01722 325862, or deliver to Florida, Nunton Drove.

**Grand Draw Prizes:** Please call Keith Bradford on 01722 329740 if you have any suitable new items for Grand Draw Prizes.

**The Bottle Stall** will need bottles! We will be collecting bottles of any sort in aid of this stall. We would be very grateful of any contributions - whisky, wine or water, orange squash to pink champagne (the only requirement is that the contents are In-Date). We will be collecting in the first week of July, more details to follow.

**Stall Helpers:** We are looking for people to help run stalls; notably the Bottle stall, Bric-à-Brac and Books, CDs and Videos. If you are able to help, or have items for these stalls, please call Keith Wilby on 01722 328608.

**Trade Stands:** Are you interested in having a trade stand at the Fête? Do you know anyone locally, for example, who makes jewellery or practices a specific craft? Please call Vicki Shipsey on 07790 027077 for further details. Many thanks.

**Setting up:** The Village Fête will be set up in the week beginning 4th July. We would love some help on Tuesday 5th July at 6pm, and lots of help from everyone from 5 – 7pm on Thursday 8th July. Please bring your family and children for a two hour burst of activity and have some fun.

*For any further other offers of help, please call either Jeremy Metcalfe on 01722 325825 or Keith Bradford on 01722 329740.*

Where does the time go? The Easter vacation is over.

Nicolette Beardsmore, Parent Governor

Longford C of E Primary School

Saturday 19th March dawned fair and various parents turned out to decorate the hall and lay out tables. Come 2pm the hall was filled with stalls selling greetings cards, Usborne books, new born toys and blankets, piles of delicious fudge and cookies, colourful cushions, cheery wooden door signs, scented toiletries, paper craft pictures, wildlife nature guides and cuddly toys.

As if that wasn’t enough, you could gamble on the chocolate tombola, guess the weight of a hefty Simnel cake, ‘play your cards right’, guess the name of the giant teddy, guess the number of the sweetsies in the jar, admire the entries in the Easter egg design competition, enter the Longford quiz (everyone wins a pencil with a rubber on the end) and when you ran out of energy you could refresh yourself with tea and cakes and then sit down at the craft table to make a space rocket, butterfly or Easter bunny in Kingfisher’s Café.

Eleanor, Summer, Ethan, Connor, Destiny and Archie won prizes for their Easter egg designs and Abigail won the adult category.

Thomas’ grandmother correctly identified the teddy as ‘Maisie’ and our very own vicar, Rev Jenny Taylor, took home the Simnel cake weighing 3lb 8oz. I was lucky enough to correctly guess there were 78 eggs in the jar – all gone now, of course, along with my waistline.

It was a super event and well attended – well done the FOLS Committee organising it all. If you didn’t make it, perhaps you could come along to our splendid Summer Fair on Saturday 2 July and visit our stall at the ONB Fête on Saturday 9 July.

Recent changes to the School

These include a bike rack, donated by Trafalgar School, for staff and pupils who want to keep fit by cycling or scootering to school. We’ve put in a bid, via the School Travel Plan, for a bike shed to keep the rain off – fingers crossed we’re successful. Our vegetable patch has a smart new fence courtesy of the Longford Estate. After a visit to the school by the Estate Manager, we received a letter containing a generous donation, along with some offers of help in the near future. Teachers and parents turned out one Sunday in March to extend the play area for Kestrels classroom and give it a tidy up. The combined Reception and Year 1 class now has more room to play in and around the Wendy house, mud kitchen and climbing frame.

Staff and Governor Changes

Sadly, Miss Tomlinson, much loved teacher to Kestrels class, has found a position closer to home starting in September. We will be very sorry to see her go, but we know she will have a wonderful time with lovely Kestrels until the end of the year.

This last month has also seen several changes to our Governing Body. After many years of service, Stuart Fowler has decided to step down as the Chair of Governors. However, he has kindly agreed to continue his role as Chair of the Business Committee until the end of the summer term. Sadly, for personal reasons, David Stratton and Philippa Hemming have decided to resign from the Governing Body. They have both worked tirelessly for the school. David will be greatly missed. Luckily, Philippa is still entwined with FOLS.

On the plus side, we have three new Governors. Nicola Ford will replace Philippa as a Parent Governor. Janette Bennett, recently retired Head of Greentrees, is joining us as a co-opted Governor along with Brian Clake, who many of you will know already. Brian has previous experience as a Governor and is a trustee for Community First. I have agreed to be Acting Chair of Governors until the end of the academic year.

Starting School in September 2016?

If you are a parent, who is still seeking a primary school place for September 2016, please come along and visit the school. Along with the green spaces and lovely views, there is a friendly vibe throughout the school. Simply telephone the office to make an appointment: 01722 327292.

Concessionary Bus Passes

Editor

Many thanks to Clive Cousins of Nunton who has alerted me to the fact that concessionary bus passes can now be used on the 44 bus from 8.55am onwards. Although a small change (from 9.00am), this is a significant improvement as the 8.59am bus which runs on schooldays from Nunton to Salisbury is, therefore, now eligible for bus pass use.
Neighbourhood Plan
Huge thanks to everyone in Odstock, Nunton and Bodenham who took part in the parish questionnaire survey last month, and to the New and Notes team for all their help in printing and delivering the questionnaires.

Questionnaires were delivered to 248 households, and 104 (42%) were returned completed. These contained a total of 315 comments and suggestions, all of which we have recorded individually. The information you have given us will be useful not only to the Neighbourhood Plan Steering Group, but also to the Parish Council.

The full results of the survey are now available from the News and Notes website homepage for anyone who would like to see them. For those who prefer just the headlines:

- The single subject which generated the most comments is the dilapidated state of our roads, and the need for repair, resurfacing and better maintenance.
- The next most frequent topic for comments is traffic speed through the villages. This is an issue that the Parish Council is already looking at, so thank you for all your suggestions for speed reduction and other measures to improve road safety.
- The topic on which there is the highest level of consensus is the village pubs; 100% of respondents agree that the pubs are important to our villages.
- There is a healthy diversity of views on housing and development. Comments range from a desire to keep our villages as they are, to a view that the villages need to develop and change. The majority (58%) think that the level of new housing development should be less than 10% of the existing housing stock, but 34% said a level of 10-20% should be allowed. There is a strong consensus that any housing development should be in keeping with the rest of the village and with the rural surroundings, should be of high quality architectural design, and should have plenty of green space. There is also a marked preference for small sized ‘affordable’ housing.
- There is very strong support for existing local businesses, especially farming and rural employment.
- Some of the things you told us the parish needs include a shop/post office, a more accessible village hall/community centre, a café, mains sewerage, mains gas, better footpaths through the villages and to the hospital, a cricket pitch, a tennis court, and a hard play area for tricycles and skate boards.

If you would like to see the full results but you don’t have access to the New and Notes website then please contact Sally Nelson on 10722 328220, and we will arrange for you to get a copy.

The next steps for the Neighbourhood Plan will be discussed at the Annual Parish Meeting on Monday 9th May at 7 pm, in the Pavilion in Nunton Field. Please come along and have your say.

Fly-tipping
Iain Watt
Residents of our community are increasingly frustrated by the escalation of fly-tipping and litter dropping which is a blight on our landscape, an environmental hazard and extra work for others to clear it up. Although many of us are willing to pick up litter from time to time, we are reliant on Wiltshire Council to remove the large deposits which appear regularly. The Council is short of resources yet dedicated to dealing with this problem across the County, but they rely on members of the community to provide intelligence of fly-tipping; The Council recommends using the ‘My Wiltshire’ app for all reports via www.wiltshire.gov.org, including photographs, as these will be passed directly to enforcement officers for assessment ensuring incidents are investigated promptly. Alternatively, members of the public can telephone the main Council number (0300 456 0100) to report an incident and a member of the Customer Service Team will complete the report in the ‘My Wiltshire’ system.

The police will also act on specific information provided about perpetrators. The more residents and businesses demonstrate that they won’t tolerate this anti-social activity any more, the more effective will be the response by the authorities. Residents and businesses should also beware that penalties can be imposed on those who innocently allow third parties to take away and illegally dispose of rubbish such as garden waste, building detritus, business waste and so on without ensuring that such third parties are licensed to dispose of rubbish. Residents and businesses are advised always to check that rubbish is only passed on to Authorised Waste Carriers as if it is traced back to the householder’s or businesses address where the waste originated they could be prosecuted or fined. To avoid this risk, householders and businesses should always ask to see the Waste Carrier’s Licence and avoid those without such Licences. In addition, it is advised to ask where the waste is being disposed of and also obtain a receipt (known as a Waste Transfer Note) which lawful, licensed collectors will issue. The Environment Agency (03708 506 506) will provide an instant Waste Carrier validation.

Road Report
Julian Johnson, Wiltshire Councillor
To many people in faraway places – such as Trowbridge – the C12 is an insignificant minor road linking up the villages in the remote Ebble Valley.
However, those of us living alongside the road know only too well that the C12 is an important access road to Salisbury District Hospital and, as such, supports an inordinate amount of traffic during peak hours. Patients, hospital visitors, staff and not least ambulances all use the section of road from the junction with the main A338, and thence to Odstock cross roads before turning right to the hospital.
Over many years the condition of the C12 has deteriorated to an absolutely unacceptable level. Repeatedly I was assured that the road was top of the priority list for this southern part of Wiltshire; year-by-year only minor remedial work was carried out and we now have one of the worst roads in the county.
All was due to be rectified during this current 2016/17 financial year until, that is, the list of planned roadworks was published but without any mention of our neglected C12.
I duly called for a meeting at County Hall with those responsible for roads and highways and told them that it was either me or the road – take your choice. After a lengthy silence it was admitted that the road had been inadvertently omitted from the schedule. It is now back on the list for major repair work during the course of the year. Let us see what materialises. It is well known that budgets are tight in local government but the time has come when money must be spent before the road collapses entirely.
Our road has also attracted attention from another part of highways department following collisions at the northern junction of the C12 with the main A338. These accidents apparently involved vehicles turning right out of the C12 on to the A338. Indeed it is a dangerous junction but the proposal being canvassed by officers was to prohibit all right turns out of, and into, the C12 and with a similar restriction at the southern junction.
Imagination runs wild at the thought of residents, hospital traffic, commercial vehicles all seeking alternative routes and the resultant chaos that would ensue. Not to mention the disruption to the farm traffic. After a one-to-one talk with officers the idea has now been buried and alternative safety schemes are being looked into – with a re-configuration of the junction being one possible option. Thanks to all those who responded to the consultation.
Meantime watch this space and drive with caution!
